

tesa® 62016 Card Labels

tesa® 62016 is a double-sided adhesive label for the automatic or manual attachment of cards onto paper. One side of the label is made of a permanent modified acrylic adhesive that ensures a secure bond to paper. The other side is made of a non-permanent pressure-sensitive rubber adhesive for the secure attachment of plastic cards.

Features:

- *Easy removability without leaving any residues or damaging the card
- *High adhesive reliability to all card surfaces and materials
- High processing reliability

Main Application
